Testimonials

“Your presentation was just what we hoped it would be – good information delivered with humor but most importantly a message that inspired and gave hope to folks who are leading in whitewater times and aspiring to develop their staff, work with them to shape a new healthcare system, and provide the best for patients.”

**Elizabeth Beaudin, Director of Nursing and Workforce Initiatives,
Connecticut Hospital Association**

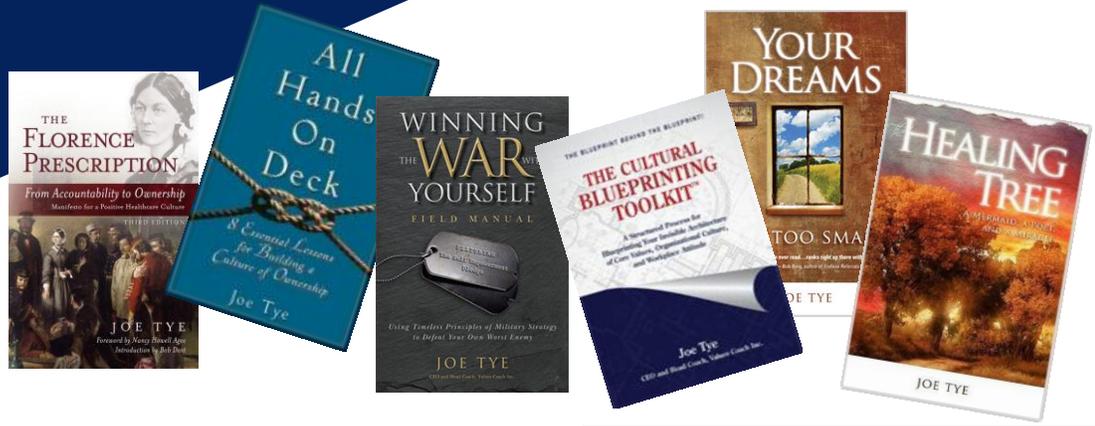

“Outstanding presentation. It was perfect for the culture journey in our organization. Feedback has been excellent. Actually the best we ever had since we started these system-wide manager meetings a few years back. This large group meets twice per year so the day needs to be impactful. You were very impactful.”

Joe Devine, President & CEO, Kennedy Health

“Everyone at TriHealth is still talking about your presentation and there is unanimous agreement that you are the best speaker we have ever had! People have said that they could have listened to you all day. I have never seen anyone else get a standing ovation before either.”

Kathy Oliphant, Professional Excellence Specialist, Nursing Administration, TriHealth Bethesda North Hospital
